	<b>New Castalloy Quality and Env Policy</b>	
Issued:		Revision: <b>11</b>
<b>16/06/2017</b>	NEXT REVIEW DATE: June 2018	

## **1. POLICY SCOPE**

New Castalloy Pty. Ltd specialises in the supply & manufacture of aluminium components in a fully finished state to major Original Equipment (OE) and Parts and Accessories (P&A) manufacturers. We are a company that employs approximately 100-150 staff & operate from one site located in the Adelaide suburb of North Plympton (Total site Area 45,026 m<sup>2</sup> and undercover production area of 15,720 m<sup>2</sup> )

## **2. POLICY**

*New Castalloy is committed to conducting business in an environmentally and socially responsible manner while providing stakeholders with excellence in products and services through continual improvement that focuses on the triple bottom line (environment, social and financial).*

**Company Objectives:** Achieve continual improvement and compliance in the areas of 'Quality' and 'Environment' as documented in the NCA Work Unit Plan which is dynamic, based on the product mix. [Click to view Quality and Environment Objectives in 'Work unit plans'](#).

## **3. POLICY IMPLEMENTATION**

This policy is implemented through the procedures and arrangements established by the organisation's Management with the endorsement of the Director- Operations Manufacturing.

This policy will be communicated internally via the New Castalloy Intranet site.
